Safety in your building

25 August 2020

Peppermint Heights,
Northwick road,
Wembley,
HA0 1LG

Dear Residents,

New investigations taking place – Thursday 27 August

With the building's original builder, we will be carrying out some more investigations into the external wall system at Peppermint Heights. A cherry picker (raised platform) will be located at various sites around the building on Thursday 27 August.

Once the investigations are carried out, we will repair the areas we have looked at so they are secure.

The results

The investigation is to determine our course of action for removing and replacing the render that is on the walls at Peppermint Heights – the render is the plaster type coating on the outside walls.

Once we have a confirmed programme, we will be in touch again with more information.

If you have any questions, please get in touch with us at **0300 373 3000** or customerservice@networkhomes.org.uk.

Kind regards

Sam Drinkwater
