Dear Residents,

Webinar on building safety – Wednesday 23 September

As you'll know, we've been carrying out investigations into the external wall system at your building recently. We now have more information on what will be happening at your block in terms of repairs to the issues we've found.

We'll be holding a webinar on **Wednesday 23 September** at **6pm** – it will last for an hour. During this webinar, we'll give a presentation covering the following:

- Introduction to key members of the building safety team
- The relationship between Network Homes and SW9 Community Housing
- The work we'll be doing at your buildings and how long it could take
- Q&A session.

We're combining these three buildings as the contractor will be working on them all together and they were built around the same time, by the same contractor.

Technology details

Because of coronavirus we'll be holding this session online on Microsoft Teams – you do not need to have a paid Microsoft account to be able to access this webinar. You can either download the Teams App or watch within your browser. You'll be able to hear and see us, but your camera and microphone won't be switched on. You'll be able to ask us questions through a dedicated chat function.

If you think you'll have trouble getting access to Microsoft Teams, please email charlotte.blackburn@networkhomes.org.uk.

How to access

Click on the link on the right a couple of minutes before 6pm on Wednesday 23 September. This will give you time to login or download Teams if you need to.

Submit a question beforehand

If you'd like to submit a question before, you can do so on Slido. Simply visit [slido.com](https://www.slido.com) and enter the meeting code #38473. You'll be able to ask questions on Teams during the webinar as well.

Kind regards
