

## Safety in your building

21 September 2020

8 Stockwell Park Walk and 2-8 Albemarle Walk,  
Stockwell,  
SW9

Dear Residents,

### Meeting on recent letter and building safety – Tuesday 22 September

We've had a lot of enquiries and feedback from you following the letter we send out last week and understand that you have concerns regarding what's going on at your building. You've asked us to hold a meeting so you can hear from us and ask us questions.

We agreed that a representative would be at the resident meeting you held among yourselves last week to capture your queries, so we can be best prepared to answer them at this meeting.

We'll be holding the meeting on **Tuesday 22 September at 7pm** – it will last for an hour. During this, we'll cover the following:

- Background information on building safety/your block
- Questions from the resident meeting
- Open Q&A session.

### Meeting format

The meeting will take the form of a meeting on Microsoft Teams. You do not need to have a paid Microsoft account to be able to access this meeting. You can either download the Teams App or watch within your browser.

You'll be able to digitally 'raise your hand' and we'll call on you to ask a question. You can also ask a question in the chat. We'll call on you so that everyone has a fair chance to ask questions, as we anticipate this will be a busy session.

If you think you'll have trouble getting access to Microsoft Teams, please email [charlotte.blackburn@networkhomes.org.uk](mailto:charlotte.blackburn@networkhomes.org.uk).

### How to access

Click on the link on the right a couple of minutes before 7pm on Tuesday 22 September. This will give you time to login or download Teams if you need to.

### Submit a question beforehand

If you'd like to submit a question before, you can do so on Slido. Simply visit [slido.com](https://www.slido.com) and enter the meeting code #91626. You'll be able to ask questions on Teams during the webinar as well.

Kind regards

David Gooch

Executive Director of Development
