

## Safety in your building

30 September 2020

Morrison Court,  
St Anns Street,  
Westminster,  
SW1P 2DF

Dear Residents,

### **Repair work following August fire incident – starting Monday 12 October**

As you'll be aware, there was a fire incident caused by a moped in the car park of Morrison Court at the end of August.

Repair work to the area damaged by fire will start on **Monday 12 October** and we expect it to initially last for five days. During this repair period of **12-16 October**, you will not be able to access the car park for safety reasons. We apologise for the inconvenience and hope you understand why this is necessary.

During the initial period we will remove the damaged areas and assess what is needed to make the area good again. We will then need to order the necessary materials and hope to return one to two weeks later to replace the damaged material.

#### **If you use the front car park**

We are currently looking at other arrangements for car parking during those dates. If you use the front car park, please email [samuel.drinkwater@networkhomes.org.uk](mailto:samuel.drinkwater@networkhomes.org.uk) for information.

If you have any questions, please get in touch at [customerservice@networkhomes.org.uk](mailto:customerservice@networkhomes.org.uk).

Kind regards

Sam Drinkwater  
Neighbourhood Team Leader (Building Safety)
