# THE EVOLU- TION

In amongst the leafy green spaces of West London, Southall is known for its rich South Asian heritage and bustling independent high street. This community is evolving. With the Elizabeth line soon to offer residents a quick and easy commute into Zone One, Southall is gaining recognition as an increasingly desirable place to live. Here is Evolution.

# DIS- COVER US

Award winning housing association, Network Homes is offering studio, one, two, three and four bedroom apartments within Evolution. Varying in layout and size, to appeal to a broad range of future residents, these apartments and duplexes all share a spacious layout, quality specification and intelligent design.

Just a few minutes from the station, these homes are within easy reach of central London but still part of a home-grown community; a buzzy residential neighbourhood, where contemporary architecture sits alongside the quaint remains of the historic rural village of Southall Green.

# YOUR HOME

With spacious living areas, these apartments are ideal for hosting friends and family for special occasions, or for enjoying the peace and quiet of your own home during a cosy night in.

All homes benefit from a balcony or terrace, perfect for a morning coffee or evening drink. Residents have the further added bonus of access to a shared courtyard garden, a place for neighbours to stop for a chat, read a book in the sun or enjoy the first shoots of spring.

A collection of one and three bedroom apartments are available with wheelchair access. There are limited car parking spaces available.

# COM- MUNITY

While only 15 minutes from Zone One, Southall is very much a community in its own right, with its own town centre and thriving local businesses. Known as 'Little India', Southall's restaurants are considered as serving some of the best South East Asian cuisine in the capital. From quick and easy street food to wholesome meals at award-winning restaurants, Southall has it all.

The high street and market, housed within the historic Himalaya Palace Cinema, are bustling with independent businesses selling jewelry, fabrics and spices, as well as big brand store names convenient for day-to-day living.

Peace and quiet can be enjoyed along the tow-path of the Grand Union Canal, home to the picturesque Willowtree Marina, or in the green spaces of Brent Lodge Park and Minet Country Park. Nearby Osterley Park, Syon Park and Kew Gardens offer further space for relaxing or exercise, all playing host to a string of events throughout the year. The 600-seat Beck Theatre in nearby Hayes is a popular local venue for music, cinema and theatre.

# CON- NECTED

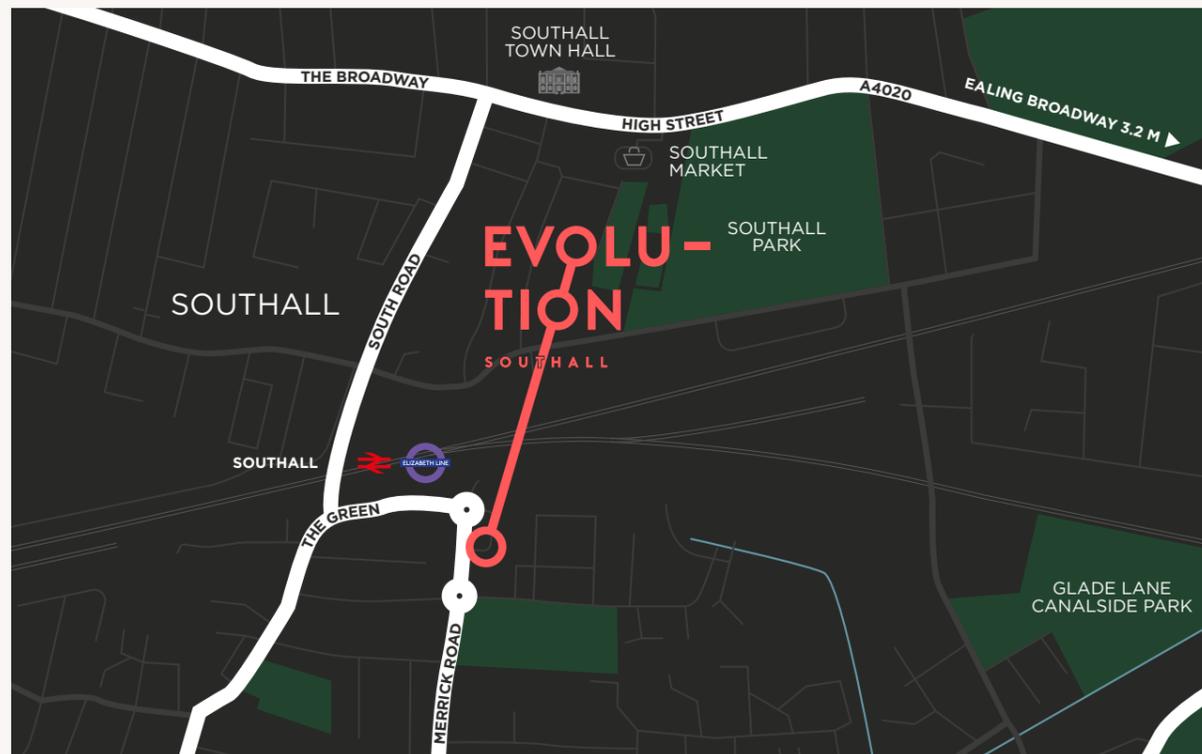

Southall mainline train station is just a seven minute walk from Evolution. Currently served by Great Western Rail, which runs services into London Paddington from just 17 minutes, or west to Windsor and Reading. Enjoy the hustle-and-bustle of the Oxford Circus shopping scene in 35 minutes, or a more leisurely day in Shepherd's Bush Westfields 23 minutes away.

Southall is just three stops - a 15 minute train journey - from Ealing Broadway, the commercial centre of the borough and one of London's most

popular shopping destinations. Refurbished in 2015, Ealing Broadway Shopping Centre is host to a wide range of familiar household brands, as well more specialist boutiques. The centre is a hub for cafes and restaurants, as well as Ealing Library and a conveniently located post office.

The M4 and M25 are both reachable in 15 minutes by car. Hop in a cab and travel just 14 minutes to Heathrow Airport for spontaneous weekend getaways.
