Coronavirus (Covid-19) service updates

We're still providing our services throughout the Government's national lockdown. We're following government guidelines and advice to ensure your safety when we deliver our services therefore please continue to give our contractors access to attend to repairs and complete safety checks. You can read more about our service updates on our website at www.networkhomes.org.uk/covid19.

Building Safety Team update

We now have an agreement with the insurer of Vantage Point to cover some of the building safety costs – you can see the FAQs from the latest building safety resident meeting on our website here: <https://www.networkhomes.org.uk/media/10838/20201208-vantage-resident-meeting-faqs-sent.pdf>

You can email customerservice@networkhomes.org.uk if you have any questions

Fire safety and fire strategy

Network Homes has a zero tolerance to items being in the communal areas, including in riser cupboards. This is to ensure escape routes remain clear for if you need to evacuate in the event of a fire. Any items found in these areas will be removed and disposed of without prior notice. We must also remind you that smoking in enclosed spaces is illegal and barbeques are not allowed anywhere at this estate. **This is dangerous and puts everyone's safety at risk.** Anyone found to be ignoring this law could be found in breach of their tenancy.

The fire strategy at Vantage Point is a **Total Evacuation** policy. This means that if a fire starts you must evacuate your building immediately and you should exit as soon as possible to the designated fire evacuation point opposite Homerton Overground station. Remember if you do need to evacuate because of a fire, do not use the lifts. Close the door behind you and safely make your way out of the building before calling the emergency services on 999. If you are unable to self-evacuate or evacuate using the stairs, please contact our Fire Safety Team on 0300 373 3000 so we can visit you and discuss a personal evacuation plan.

ASB

We told you in the last newsletter that we've developed a toolkit to help you identify ASB and understand the steps you need to take if you're experiencing it. You can find the toolkit on our website at networkhomes.org.uk/asbtoolkit.

Parcel deliveries

We strongly recommend that you arrange for parcels to be delivered on dates when you will be at home to receive them. Alternatively, you may want to use the 'click & collect' service provided by many retailers. Network Homes accepts no liability for thefts of parcels as we are unable to monitor parcels left by delivery personnel.

Stay connected with online community forums

We want to help you get to know people in your community by accessing or setting up online community forums. You can use them to provide support to other people or keep in contact with your neighbours and residents in your local area. If you want to find out if there is an existing forum in your area or set up and promote a new one, then our Resident Engagement Team can help. You can get in touch with them at get.involved@networkhomes.org.uk or on 0300 373 3000.
