Dear residents,

Further investigations from Monday 4 – Friday 8 October

We last wrote to you in August that we wanted to carry out further investigations to these areas:

- Timber decking on balconies
- Timber 'Brise Soleil' horizontal sun screen
- Timber privacy screens on balconies
- Insulated render system.

We have now confirmed the dates for this and expect to be on-site from **Monday 4 – Friday 8 October** if everything goes as planned. There are some properties where we require access to the balconies to carry out our inspection. If we think we will need access to your balcony, we will get in touch with you separately. Thank you in advance for your cooperation.

Once we know the outcome of the investigations and what the next steps are, we will write to you again with an update.

Further support

We work on a three-month update basis, so you can expect to hear from us every three months or sooner if we have something confirmed which we need to tell you.

If you need further support, you can:

- Visit the London Fire Brigade's website, which is offering a free online tool which guides you through a fire risk assessment of your home (home visits are available for more vulnerable residents): <https://www.london-fire.gov.uk/safety/the-home/home-fire-safety/>
- Visit our website where we have a building safety section with lots of information and frequently asked questions: <https://www.networkhomes.org.uk/your-home/building-fire-safety-and-cladding/>.
- Remind yourself of our top fire safety tips, including not using BBQs on balconies: <https://www.networkhomes.org.uk/advice/health-and-safety/fire-safety-top-tips/>
- Check our document library for a reminder of the letters we have already sent out: <https://www.networkhomes.org.uk/your-home/my-building-fras-documents-and-newsletters/>. It may take a little while to load as there are lots of documents on there.
- Get in touch with us on customerservice@networkhomes.org.uk if you have any other questions.

Kind regards

Peter Park
Project Manager – Building Safety
