Dear Residents,

The external works contractor, Lawtech, will be undertaking works to the facades on Saturday 18th December 2021 to help progress the installation of the permanent and temporary insulation. These works will be carried out to various elevations and will be mainly focused on Bree Court & Cara House Levels 1-4.

Due to the nature of the works, we have agreed with the contractor, that they can commence at 08:30am and complete their required works by 2.00pm. Any noisy works will be limited to small handheld power tools with the contractor not commencing any such works before 09:00am. Please note, operatives will be seen on the scaffolding from 08:30am to start preparations for the works planned for the day.

A member of the TNQ Resident Liaison Team will be present on site should you have any concerns or queries whilst the insulation works are being undertaken. Please contact Foyso Uddin via email at info@tnq-london.com or via phone on 07833 943 985.

Kind Regards,
