

Network Homes

Safety in your building

30 September 2022

Rainbow House,
Water Lane,
Watford,
WD17 2AP

Dear residents,

Last night work (Tuesday 4 October) to be rescheduled

Thank you all for your cooperation this week while the night work has been taking place to remove the scaffolding. It has not gone as smoothly as we had anticipated, and I'd like to thank you all as I know some of you will have had alternative arrangements in place.

The first two nights were not able to go ahead due to some adjustments that were identified during the handover. However, the work did go ahead for the two nights after that.

Tuesday 4 October to be rescheduled

The last night of these scheduled dates on Tuesday 4 October will also need to be rescheduled. This is because we have been informed by Network Rail that they need to carry out some essential engineering work and we therefore will not be able to carry out our work at the same time.

We're now working with Network Rail to agree new dates to remove the remaining scaffolding and will notify you when this is agreed. At the moment, it is likely that it will now be towards the project completion date in December.

Further support

If you need further support, you can:

- Go to the London Fire Brigade's website, which is offering a free online tool which guides you through a fire risk assessment of your home (home visits are available for more vulnerable residents): <https://www.london-fire.gov.uk/safety/the-home/home-fire-safety/>
- Visit our website where we have a building safety section with lots of information and frequently asked questions: <https://www.networkhomes.org.uk/buildingandfiresafety/>
- View resources which may help: <https://www.networkhomes.org.uk/buildingsafetyresources/>
- Remind yourself of our top fire safety tips, including not using BBQs on balconies: <https://www.networkhomes.org.uk/advice/health-and-safety/fire-safety-top-tips/>
- Check our document library for your building's letters and documents – it takes a little while to load: <https://www.networkhomes.org.uk/rainbowbuildingsafety/>
- Get in touch with us on customerservice@networkhomes.org.uk if you have any questions.

Kind regards

Raj Gandecha

A summary of this letter

Night work to remove the scaffolding on Tuesday 4 October needs to be rescheduled because of Network Rail engineering work.

We'll let you know when we have agreed new dates with Network Rail – most likely will be towards December.

A reminder

Your building's fire strategy is **simultaneous evacuation**, which means you must evacuate if you hear the fire alarm, even if you think it is a false alarm.
