

Safety in your building

12 January 2023

Tabriz Court and Shams Court,
Fulton Road,
Wembley Park,
HA9

Dear residents,

Remediation work due to start on Monday 15 January

We have been informed by your building's owner that they plan on starting remediation work on Tabriz Court and Shams Court next week. They have said that the site will begin to mobilise from **Monday 15th January** and then they expect scaffolding to begin to be erected on **Monday 22nd January**. The first elevation to be worked on will be Tabriz's rear elevation.

We are in the process of preparing a document which will contain further details about the nature and length of the works, working hours and possible disruption. We are waiting for some further details from this from the Freeholder and will issue this to you as soon as we can.

Further support and dedicated webpage

We've put some posters around your building with a QR code that links to a dedicated page that contains all the documents we've sent out about the remediation. You can visit the page at: <https://www.networkhomes.org.uk/TabrizShamsbuildingsafety/>. Please send any questions to us on customerservice@networkhomes.org.uk.

Kind regards

Raj Gandecha
Head of Resident Management (Building Safety)

A summary of this letter

We have been informed by the building owner that the remediation project will begin on-site on **Monday 15 January**.

We will shortly be providing more info about the work that the building's owner has shared with us.

A reminder

Your building's fire strategy is currently **simultaneous evacuation**, which means you must evacuate if you hear the fire alarm, even if you
