

## Latest updates for residents at Eaton Plaza

**March 2024**

### Security

Thank you very much for those of you who participated in this consultation exercise.

Originally, we only received a total of 8 responses and virtually all these were in favour of retaining a mobile patrol and we published this view in the December Eaton Plaza newsletter. However, to record a stronger mandate to make sure all residents' views have been considered, we extended the consultation and carried out a two-door knocking exercise to canvas more views.

From both exercises we managed to canvas the views of an additional 34 residents, bringing the grand total to 42. There are a total of 100 properties that make up Eaton Plaza and 42 responses represents (42%) of the estate.

As a result of the consultation exercise, it's clear that many of those residents who responded wished to continue with the current service, therefore, there will be no change to the mobile security patrol service at Eaton Plaza.

We will not consult on this again for at least two years unless an overwhelming number of residents request for this to happen sooner.

### Window cleaning

The window cleaning programme for 2024 is scheduled for April and October.

## Renewal of parking permits

It is the responsibility of residents who are eligible to park and have a permit to note when their permits are due to expire. CPM manage the car park at your estate and send out permit renewal reminders four weeks prior to permits expiring, however, these letters can get delayed or lost.

**Please note that parking enforcement is a civil matter therefore you will need to take up any parking issue directly with the parking company CPM Limited.**

Places you should not park:

- In a car park area if you are not permitted to do so
- On double yellow lines – this can obstruct emergency vehicles and bin vehicles
- In a parking bay not allocated to you
- Double parked in a single bay property
- In front of access points e.g., bin rooms and hatched areas

- On the grass verge by play areas.

**Please note that SORN vehicles and vehicles without permit will be removed. Your SORN will start immediately if your vehicle tax has expired.**

Our colleagues and CPM monitor parking daily including at weekends. CPM will issue a penalty charge notice to any vehicle that's causing an obstruction or parked in a bay that it's not permitted to use, whether a permit is displayed or not. All car park areas are clearly marked by CPM on the terms & conditions signage displayed.

All parking enquiries and appeals are managed by CPM, not SNG. You can contact CPM at [networkhomes@uk-cpm.com](mailto:networkhomes@uk-cpm.com) or by telephone on 0845 463 5050.

## Using disabled bays

We're aware that some residents have received parking tickets when parked in the disabled bays in the parking area while not displaying a blue disabled badge. This is a reminder to all residents that you must display both a resident parking permit and a blue disabled badge to park in the disabled bays. **You may receive a parking ticket if you do not display both badges.** We understand that some residents may not have been aware of this or misinformed about the use of the disabled parking bays, however going forward **if you are not displaying both badges you will receive parking penalty notices.**

## Home alterations and improvements

If you'd like to make any home alterations or improvements, you'll need to get written permission from us, your landlord, before you start any work. Please refer to the clause in your tenancy or lease agreement that covers alterations and your obligations. Failure to gain consent from us is a breach of your tenancy or lease and could result in action being taken by SNG.

Please note that you are not permitted to carry out any alterations or improvements in communal areas.

There are a number of home improvements you can make to your home, including DIY (do-it-yourself) improvements, however, there are certain procedures to follow, and you need to be aware of the noise impact on your neighbours.

You'll need to contact your housing officer who will guide you through the application process. Our surveyors might need to request for plans and full details of alterations and contractors you intend to use to carry out these works. Please note that you will be responsible for the cost and the maintenance of these alterations if we approve them. You may need more than our approval, depending on the changes, such as planning permission from the local council.

## Who's your next of kin?

Many services, particularly those involving housing, ask for details of your next of kin. You can name whoever you feel is most appropriate, however, naming that person does not grant them any legal rights or responsibilities. Organisations ask for details so that they know who to contact if they're unable to or are struggling to make contact with you.

Naming someone as your next of kin in these circumstances does have advantages. It ensures that person can contact and speak with us on your behalf if you grant them permission to do so. It also means they are kept up to date if the need arises. To grant this permission, you will need to complete and sign our online consent form: [Representative Consent Form \(office.com\)](#)

Please note that you are still able to inform us of a next of kin without giving them access to act on your behalf. Without your consent, we will not discuss your personal information with them. If you have any questions on this, please contact our customer services team at [customerservice@networkhomes.org.uk](mailto:customerservice@networkhomes.org.uk) or by completing our online contact us form at [www.networkhomes.org.uk/contact-us](http://www.networkhomes.org.uk/contact-us).

## Our automated messaging and voice calling service

We're always looking at ways we can help residents to sustain their tenancy and leases and one of them is by making early preventative interventions if they fall into payment arrears. We're using an automated messaging and voice calling service, provided by Voicescape, to contact you if we notice that you have missed a payment on your account, so that we can work with you sooner rather than later.

If you receive a call from our automated messaging or voice calling service, the texts will come from SNG, and the call will come from one of the following numbers:

- 020 8068 0304
- 020 8068 0305
- 020 8068 0306
- 020 3695 2588
- 020 3695 2593
- 020 3695 2602
- 020 3695 2607.

If you answer the call, the system will let you know that we are calling and what to do so that we can transfer you to a member of our Income teams. If you receive a text message from the system, it will

let you know how to get in contact directly with our Income team for tenants, shared owners or leaseholders, rather than through our general enquiries line.

If you would like to find out more about our new automated voice calling and messaging service or confirm that a call or text message from us is genuine, please contact us at

[www.networkhomes.org.uk/contact-us](http://www.networkhomes.org.uk/contact-us).

## Have you tried our new digital assistant for customers yet?

We've launched our digital assistant for customers which gives you another convenient way to raise or get an update on repairs, check your account balance, or make a payment. The digital assistant comes in the form of a chatbot which you can find on our website and your My Network Homes online account.

The digital assistant is available at any time of the day, seven days a week. It will help you with your enquiry by giving you options to select so it can support you as quickly as it can. During set times, currently Monday to Friday, 10am to 3pm, if it's unable to answer your query or help you to complete your service request, it will give you the option to chat online to one of our customer service advisors.

You can try out the digital assistant the next time you want to raise a repair, check your account balance or make a payment. Simply open the chatbot feature by clicking on the purple 'Chat with us' bubble on our website at [www.networkhomes.org.uk](http://www.networkhomes.org.uk).
