Home alterations and improvements

If you'd like to make any home alterations or improvements, you'll need to get written permission from us, your landlord, before you start any work. Please refer to the clause in your tenancy or lease agreement that covers alterations and your obligations. Failure to gain consent from us is a breach of your tenancy or lease and could result in action being taken by SNG.

Please note that you are not permitted to carry out any alterations or improvements in communal areas.

There are a number of home improvements you can make to your home, including DIY (do-it-yourself) improvements, however, there are certain procedures to follow, and you need to be aware of the noise impact on your neighbours.

You'll need to contact your housing officer who will guide you through the application process. Our surveyors might need to request for plans and full details of alterations and contractors you intend to use to carry out these works. Please note that you will be responsible for the cost and the maintenance of these alterations if we approve them. You may need more than our approval, depending on the changes, such as planning permission from the local council.

Stay put fire safety strategy for your building

The fire strategy for your building is a stay put policy. This means unless you're directly affected by a fire, told by the emergency services or a SNG staff member to evacuate, you should stay in your home. Remember if you do need to evacuate because of a fire, do not use the lifts. Close the door behind you and safely make your way out of the building before calling the emergency services on 999. If you are unable to self-evacuate or evacuate using the stairs, please contact our Fire Safety Team on **0300 373 3000** so we can visit you and discuss a personal evacuation plan.

Anti-Social behaviour (ASB)

If you think you're experiencing ASB, please check out our ASB toolkit to help you identify ASB and understand the steps you need to take if you're experiencing it. You can find the toolkit on our website at www.networkhomes.org.uk/asbtoolkit

You may report ASB to us between 9am to 5pm from Monday to Friday. If it's out of office hours, please contact the Police or your Local Authority Environmental Health team.

A positive outcome

Reports were received of excessive noise disturbances from young persons in the communal areas, staircase and to the front of the block including the car park and play area in October 2023. The reports were concerning, as residents felt frightened by the intimidating presence and nuisance they were causing. Residents have the right to live in a peaceful and safe environment, so this had to be addressed.

From our investigations, we identified the young person's address at 26-55 Magnus Heights, who was inviting their friends who lived outside to gather in a group. We spoke to the parent of the young person and explained the consequences if the behaviour was to continue as residents are responsible for the behaviour of those living with them and visitors. The reports stopped thereafter and there have been no more concerns regarding this matter.

Who's your next of kin?

Many services, particularly those involving housing, ask for details of your next of kin. You can name whoever you feel is most appropriate, however, naming that person does not grant them any legal rights or responsibilities. Organisations ask for details so that they know who to contact if they're unable to or are struggling to make contact with you.

Naming someone as your next of kin in these circumstances does have advantages. It ensures that person can contact and speak with us on your behalf if you grant them permission to do so. It also means they are kept up to date if the need arises. To grant this permission, you will need to complete and sign our online consent form. [Representative Consent Form \(office.com\)](#) Please note that you are still able to inform us of a next of kin without giving them access to act on your behalf. Without your consent, we will not discuss your personal information with them. If you have any questions on this, please contact our customer services team at customerservice@networkhomes.org.uk or by completing our online contact us form at www.networkhomes.org.uk/contact-us.

Our automated messaging and voice calling service

We're always looking at ways we can help residents to sustain their tenancy and leases and one of them is by making early preventative interventions if they fall into payment arrears. We're using an automated messaging and voice calling service, provided by Voicescape, to contact you if we notice that you have missed a payment on your account, so that we can work with you sooner rather than later.

If you receive a call from our automated messaging or voice calling service, the texts will come from SNG, and the call will come from one of the following numbers:

- 020 8068 0304
- 020 8068 0305
- 020 8068 0306
- 020 3695 2588
- 020 3695 2593
- 020 3695 2602
- 020 3695 2607.

If you answer the call, the system will let you know that we are calling and what to do so that we can transfer you to a member of our Income teams. If you receive a text message from the system, it will let you know how to get in contact directly with our Income team for tenants, shared owners or leaseholders, rather than through our general enquiries line.

If you would like to find out more about our new automated voice calling and messaging service or confirm that a call or text message from us is genuine, please contact us at www.networkhomes.org.uk/contact-us.

Have you tried our new digital assistant for customers yet?

We've launched our digital assistant for customers which gives you another convenient way to raise or get an update on repairs, check your account balance, or make a payment. The digital assistant comes in the form of a chatbot which you can find on our website and your My Network Homes online account.

During set times, currently Monday to Friday, 10am to 3pm, if it's unable to answer your query or help you to complete your service request, it will give you the option to chat online to one of our customer service advisors.

You can try out the digital assistant the next time you want to raise a repair, check your account balance or make a payment. Simply open the chatbot feature by clicking on the purple 'Chat with us' bubble on our website at www.networkhomes.org.uk.
