

# Latest update

# Park Heights

Here's the latest news on Park Heights this week, with your updates coming from:

## Cladding progress on the leasehold block

### Here's the latest update!

- The balcony cladding panels from levels 19 to 9 have been installed. We're now checking them as part of our quality control inspections.
- We're currently installing cladding panels on level 8.
- The Sky Garden cladding is mostly complete - we only have to remove the scaffold ties. We will be completing this by the end of next week.

## Scaffolding/glass on the rented block

### We're making good progress:

- We've reached level 12 with the scaffolding.
- We're now replacing balcony glass on level 9.

## Decking progress on the leasehold block

### Here's where we are:

- We've finished 90% of the decking on the Sky Garden and expect to be done by Monday 4 November.
- We've started on balconies on level 19.

## Need us to store balcony items?

Before we start the cladding work outside your property, you will be sent a survey of the items on your balcony. You'll need to confirm which items you would like to be put in storage during the cladding work.

Please return your surveys to Hill's site office post box as soon as you can.

## Next resident drop-in sessions

The next two drop-in sessions will be on **Wednesday 6 November** and **Wednesday 4 December** from 6pm to 7:30pm at the Hill site office.
