

# Latest update

# Park Heights

Here's the latest news on Park Heights this week with your updates coming from:

**Network  
Homes**

Community  
Housing

## Balcony safety

Please don't store flammable items, use candles or smoke on your balcony. This can lead to a heightened risk of fire during the recladding project and we're aware that some residents are ignoring the warning.

Flammable items include BBQs, patio heaters, candles, wooden pallets, sofas, cardboard packaging and old Christmas trees. Using BBQs or any other cooking equipment on your balcony is a fire risk and a breach of your tenancy/lease so please don't use them.

SW9 Community Housing staff will be contacting anyone who is storing flammable belongings or using BBQs on their balconies.

## Cladding progress on the leasehold block

**Here's the latest update!**

- The balcony cladding panels for 19th to 13th floor are now installed.
- The balcony cladding panels on the 12th floor are 90% complete.

## Scaffolding and balcony glass replacement on the rented block

**The scaffolding on the rented block is progressing well.**

- We've reached the 10th floor and we're now working on the 11th floor.
- We've also begun balcony glass work to the rented block and we're making good

progress. We are now up to the 4th floor.

## Need us to store balcony items?

Before we start the cladding work outside your property, you will be sent a survey of the items on your balcony. You'll need to confirm which items you would like to be put in storage during the cladding work.

Please return your surveys to Hill's site office post box as soon as you can.

## Have you booked your sprinkler test?

**We need to test your sprinklers – if you haven't already had them tested, the next available dates are:**

- Thursday 31 October
- Friday 1 November
- Tuesday 5 November
- Wednesday 6 November

You can book an appointment with our contractors AJS by calling **020 8597 7000**.

## Next resident drop-in session

The next two drop-in sessions will be on Wednesday 6 November and Wednesday 4 December from 6pm to 7:30pm at the Hill site office.
