We have now installed the decking on the balconies to **levels 19 to 8**. The quality control process and checks are currently ongoing. Decking has been signed off on the roof terrace and **levels 19 and 14**.

We are currently installing decking to **level 8** and preparing to start **level 7**.

Balcony lights

If you've had the cladding panels fitted, we can now reconnect your balcony lights! Please contact Hill to arrange for your balcony lights to be reconnected on **0800 032 6760** or residents@hill.co.uk.

Rented block

Balcony cladding

We've started to strip the cladding on **level 14**.

Balcony lights

Hill will need to disconnect your balcony lights for a short period to continue the recladding work.

To make it as convenient as possible for you, we're asking you to get in touch with Hill to book an appointment that suits you. Please call them on **0800 032 6760** or email residents@hill.co.uk.

Sky garden - roof terrace

The cladding to the roof terrace is in the process of being removed and the new bracketry and insulation system has started to be installed.

High winds

As bad weather has continued, we've had to pause work again as it wasn't safe.

We have now lost about five days of work, so our contractors will do their best to minimise the effect of this lost time.
