Building investigations starting from 9 March, plus temporary parking changes

We wrote to you about putting up scaffolding on your block and then again to postpone it because of the weather.

Cherry pickers and rope access

We will be using cherry pickers (raised platforms) to investigate areas of the building and also will be access some areas by rope from the roof. Our contractors Industrial Access are working with our consultant John Rowan and Partners to decide the best place on site.

We will begin investigations on **Monday 9 March** and hope to be finished by the end of the week. This is dependent on weather and also what we find. Afterwards we will put things back to the way they were.

The results

Once the investigations are finished, we will be in touch again to let you know the results. If you have any questions, please email buildingsafetyteam@networkhomes.org.uk.

Temporary changes to parking

While we have the cherry pickers (raised platforms) up and are doing the investigations, there will be no parking in the car park at the back of the building, for your safety. Please use the car park at the front of the building only.

As you'll have seen above, we're going to be sending you further updates by email, as this will be quicker and easier. Please ensure you let us know your details. We may already have yours on file, so I apologise if you've already sent yours over.

Yours faithfully

Mr Suraj Shah

Head of Technical Survey Team (Building Safety)

Have you given us your contact details?

We're going to be sending you several updates about safety in your building and we want to make it as easy as possible for you to read them.

So that we can be mindful of giving you value for money, being sustainable and saving time on posting letters, we'd prefer to send email updates.

Please send your:

- > **Name**
 - > **Address**
 - > **Postcode**
 - > **Email address**
 - > **Phone number**
- to customerservice@networkhomes.org.uk.

That way you'll find out what's going on quickly and easily file it for your records. We'll make sure your details are updated on our system too.

Please check out our privacy policy on our website for more info.
