

Safety in your building

Network Homes

20th February 2020

To all residents of Morrison Court

Dear Residents,

Building investigations delayed due to bad weather

We wrote to you recently about investigations which were needed into your building. Since then, the weather has been terrible and we are still feeling the effects of Storm Dennis.

As such, we have decided to **delay the investigations** until the weather has improved. Some of the investigation will be done by rope access from the roof and it is not safe for our contractors to be out in this type of weather.

We will write to you again when we have a new date for the investigations.

Thank you for your patience.

Yours faithfully

Mr Suraj Shah

Head of Technical Survey Team (Building Safety)

Have you given us your contact details?

We're going to be sending you several updates about safety in your building and we want to make it as easy as possible for you to read them.

So that we can be mindful of giving you value for money, being sustainable and saving time on posting letters, we'd prefer to send email updates.

Please send your:

- > **Name**
 - > **Address**
 - > **Postcode**
 - > **Email address**
 - > **Phone number**
- to customerservice@networkhomes.org.uk.

That way you'll find out what's going on quickly and easily file it for your records. We'll make sure your details are updated on our system too.

Please check out our privacy policy on our website for more info.
